

**SPECIES LIST: MEMBERS' FINDS 2022 Jan to Jun – COMMON ENGLISH NAMES** (updated June 30th)

**Number of species to date: 144**

Please note that the number of species listed below will be considerably fewer than the running total given above, due to many of the species found lacking a common English name. The alternative list of Latin names should, however, be complete.

green highlight: unusual to rare finds - 18    yellow highlight: new to Buckinghamshire -12    blue highlight: new to UK - 0
