

**SPECIES LIST: MEMBERS' FINDS 2024 July - Dec : ENGLISH NAMES** (updated Nov 16th '24)

**Number of species to date: 166**

Please note that the number of species listed below will be considerably fewer than the running total given above, due to many species – particularly the rarer finds – lacking a common English name. The alternative list of Latin names should, however, be complete.

green highlight: unusual to rare finds - 37 yellow highlight: new to Buckinghamshire – 14 blue highlight: new to UK -
